

Report

Since 2013 the college has started some special schemes for the progression of students. According to current Situation, we have started scheme “Guidance for competitive exam” and “career counseling” We are giving guidance to our college students who wants to appear in different competitive exams like Banking, G.P.S.C., and U.P.S.C. Our faculty members are giving guidance. We are not taking any co-operation from any other agency apart from our college.

By remedial coaching and personal counseling, students who are weaker in study, for them we are organizing some lectures to improve their basic concepts of subjects. We are giving practice them by solving old question papers also.
